Detachable anti-slip plate

1. Both sides of the plate can be used . one side is for thick computer ,the other side si for thin laptop

### Do you still need an advice after reading this guide?

First read “Frequently Asked Questions” at [www.evolveo.com](http://www.evolveo.com) or contact the **EVOLVEO** technical support.

### The warranty DOESN'T APPLY to:

- using the device for other purposes than it was designed to
- installation of another firmware then the one that was installed as the original from the factory or that is to be downloaded at <ftp://ftp.evolveo.com>
- mechanical damage of caused by inappropriate using
- damage caused by the natural elements as fire, water, static electricity, overvoltage and so on
- damage caused by unauthorized repair
- damage of the guarantee seal or unreadable serial number of the device

**Disposal:** The symbol of crossed out container on the product, in the literature or on the wrapping means that in the European Union all the electric and electronic products, batteries and accumulators must be placed into the separate salvage after finishing their lifetime. Do not throw these products into the unsorted municipal waste
